MEMORANDUM FOR: Deputy Director (Plans)

VIA : ADDP

25X1A

**SUBJECT : Report on R&D Seminar Held at [REDACTED]
March 20, 21, 1962**

1. This memorandum is for information only and requires no action.

2. After discussion with you, a seminar was held between a group of TSD/R&D people and some senior operations officers. The non-TSD CS people at the meeting were:

25X1A

DD
DC
FE
DC
C/O
FI
C/O

25X1A

3. Attached to this memorandum is a brief report describing the salient points raised during this seminar. The seminar critically reviewed the tentative R&D program prepared for FY-1963, and was most helpful in pinpointing a relatively few areas which deserve priority R&D attention in the coming year. Some of these areas are:

25X1C

a) Devices for close-in [REDACTED]
[REDACTED]

25X1C

b) An operable [REDACTED]

25X1C

c) Collection and analyses of [REDACTED]
information.

25X1D

SECRET

SECRET

[REDACTED]

25X1D

e) Further development of a [REDACTED]
technique.

25X1C

4. A meeting is being held on Monday, 14 May, with the
ADDP and the non TSD CS participants for a final review for some
of the institutional and other problems raised at the seminar.

SIDNEY GOTTLIEB
AC / TSD / R&D

Attachment -
As noted above.

cc - ADPP w/Attch.
